1 Resolution 1 – Non-Binding Resolution to adopt Remuneration Report

To consider and, if thought fit, to pass the following resolution as a non-binding resolution:

"That the Remuneration Report for the year ended 30 June 2026 as set out in the 2026 Annual Report be adopted."

Note: The vote on this Resolution is advisory only and does not bind the Directors or the Company. Shareholders are encouraged to read the Explanatory Memorandum for further details on the consequences of voting on this Resolution.

Voting exclusion statement: The Company will disregard any votes cast on the Resolution, and a vote must not be cast (in any capacity), by or on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or their Closely Related Parties. However, the Company need not disregard a vote, and it may be cast, if:

- (a) it is cast by a person as a proxy appointed by writing that specifies how the proxy is to vote on the proposed Resolution **or** the proxy is the Chair of the Meeting and the appointment of the Chair as proxy does not specify the way the proxy is to vote on the resolution and expressly authorises the Chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel; and
- (b) it is not cast on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or their Closely Related Parties.

Further, a Restricted Voter who is appointed as a proxy will not vote on the Resolution unless:

- (a) the appointment specifies the way the proxy is to vote on the Resolution; or
- (b) the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Shareholders should note that the Chair intends to vote any undirected proxies in favour of the Resolution.

Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If any of the persons named above purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and those persons may be liable for breaching the voting restrictions that apply to them under the Corporations Act.

2 Resolution 2 – Re-election of Mr Richard Crookes as a Director

To consider and, if thought fit, to pass the following resolution as an **ordinary resolution**:

IMPORTANT INFORMATION

How to vote

Shareholders can vote by either:

- attending the Meeting and voting in person or by attorney or, in the case of corporate Shareholders, by appointing a corporate representative to attend and vote; or
- appointing a proxy to attend and vote on their behalf using the Proxy Form accompanying this Notice of Meeting and by submitting their proxy appointment and voting instructions in person, by post, electronically via the internet or by facsimile.

Voting in person (or by attorney)

Shareholders, or their attorneys, who plan to attend the Meeting are asked to arrive at the venue 15 minutes prior to the time designated for the Meeting, if possible, so that their holding may be checked against the Company's share register and their attendance recorded. To be effective a certified copy of the Power of Attorney, or the original Power of Attorney, must be received by the Company in the same manner, and by the same time as outlined for proxy forms below.

Questions at the Meeting

Please note, only Shareholders may ask questions once they have been verified. It may not be possible to respond to all questions. Shareholders are encouraged to submit questions prior to the AGM (please see below).

Submission of written questions to the Company or the auditor in advance of the Meeting

A Shareholder who is entitled to vote at the meeting may submit a written question to the Company in advance of the Meeting. We ask that all pre-Meeting questions be received by the Company no later than 48 hours before the date of the AGM, being 2:00pm (AWST) on Wednesday, 25 November 2026.

Any questions should be directed to the Company Secretary at Harry.Miller@blackrockmining.com.au.

Attending the Meeting as a guest or Proxy Holder

Please follow the instructions published on the Company's website if you wish to attend the Meeting as a guest or Proxy Holder.

Voting by a Corporation

A Shareholder that is a corporation may appoint an individual to act as its representative and vote in person at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring to the Meeting evidence of his or her appointment, including any authority under which it is signed.

Voting by proxy

- A Shareholder entitled to attend and vote is entitled to appoint not more than two proxies. Each proxy will have the right to vote on a poll and also to speak at the Meeting. The appointment of the proxy may specify the proportion or the number of votes that the proxy may exercise. Where more than one proxy is appointed and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, the votes will be divided equally among the proxies

(i.e. where there are two proxies, each proxy may exercise half of the votes).

- A proxy need not be a Shareholder.
- The proxy can be either an individual or a body corporate.
- If a proxy is not directed how to vote on an item of business, the proxy may generally vote, or abstain from voting, as they think fit. However, where a Restricted Voter is appointed as a proxy, the proxy may only vote on Resolution 1 in accordance with a direction on how the proxy is to vote or, if the proxy is the Chair of the Meeting and the appointment expressly authorises the Chair to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.
- Should any resolution, other than those specified in this Notice, be proposed at the Meeting, a proxy may vote on that resolution as they think fit.
- If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the Shares that are the subject of the proxy appointment will not be counted in calculating the required majority.
- Shareholders who return their Proxy Forms with a direction how to vote, but who do not nominate the identity of their proxy, will be taken to have appointed the Chair of the Meeting as their proxy to vote on their behalf. If a Proxy Form is returned but the nominated proxy does not attend the Meeting, the Chair of the Meeting will act in place of the nominated proxy and vote in accordance with any instructions. Proxy appointments in favour of the Chair of the Meeting, the secretary or any Director that do not contain a direction how to vote will be used, where possible, to support each of the Resolutions proposed in this Notice, provided they are entitled to cast votes as a proxy under the voting exclusion rules which apply to some of the proposed Resolutions. However, in exceptional circumstances, the Chair of the Meeting may change his voting intention, in which case an ASX announcement will be made. These rules are explained in this Notice.
- To be effective, proxies must be received by 2:00pm (AWST) on Saturday, 28 November 2026. Proxies received after this time will be invalid.
- Proxies may be lodged using any of the following methods:

EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the foregoing Notice of Annual General Meeting of the Company.

Certain abbreviations and other defined terms are used throughout this Explanatory Memorandum. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to the Explanatory Memorandum.

1 Financial Reports

The first item of the Notice deals with the presentation of the consolidated annual financial report of the Company for the financial year ended 30 June 2026, together with the Directors' declaration and report in relation to that financial year and the Auditor's Report on the financial report. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Meeting to ask questions and make comments on the accounts and on the management of the Company.

The Chair will also give Shareholders a reasonable opportunity to ask the Auditor or the Auditor's representative questions relevant to:

- (a) the conduct of the audit;
- (b) the preparation and content of the independent audit report;
- (c) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the Auditor by the Company in relation to the conduct of the audit.

The Chair will also allow a reasonable opportunity for the Auditor or their representative to answer any written questions submitted to the Auditor under section 250PA of the Corporations Act.

2 Resolution 1 – Non-Binding Resolution to adopt Remuneration Report

2.1 Background

Section 250R(2) of the Corporations Act requires the Company to put to its Shareholders a resolution that the Remuneration Report as disclosed in the Company's 2026 Annual Report be adopted. The Remuneration Report is set out in the Company's 2026 Annual Report and is also available on the Company's website.

The vote on this Resolution is advisory only and does not bind the Directors or the Company.

However, if at least 25% of the votes cast are against adoption of the Remuneration Report at two consecutive annual general meetings, the Company will be required to put a resolution to the second Annual General Meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second Annual General Meeting. All of the Directors

who were in office when the applicable Directors' Report was approved, other than the Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The remuneration report for the financial year ended 30 June 2025 did not receive a vote of more than 25% against its adoption at the Company's last general meeting held on 24 November 2025. Accordingly, if at least 25% of the votes cast on this Resolution are against adoption of the Remuneration Report it will not result in the Company putting a Spill Resolution to Shareholders.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and any service agreements and sets out the details of any equity based compensation.

The Chair will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

2.2 Voting

Note that a voting exclusion applies to this Resolution 1 in the terms set out in the Notice.

Shareholders are urged to carefully read the Proxy Form and provide a direction to the proxy on how to vote on this Resolution 1.

3 Resolution 2 – Re-election of Mr Richard Crookes as a Director

3.1 General

Clause 15.2 of the Constitution provides that one-third of the Directors, or, if their number is not a multiple of three, then the number nearest one-third (excluding the Managing Director and any additional director appointed pursuant to clause 15.4 of the Constitution), must retire at the Company's annual general meeting. The Directors to retire are those who have been in office the longest since their last election.

The Company currently has five directors, one of whom is the Managing Director. Accordingly, one Director must retire at this Meeting.

A Director who retires in accordance with clause 15.2 of the Constitution is eligible for re-election and that re-election takes effect at the conclusion of the Meeting.

Mr Richard Crookes, Non-Executive Chairman, was last re-elected at the annual general meeting of the Company held on 25 November 2024 and has held office the longest since re-election (equally with Ms Ursula Phillips). Having reached agreement, it was determined that Mr Richard Crookes would retire. Accordingly, Mr Richard Crookes retires at this Meeting and being eligible, seeks re-election pursuant to Resolution 2.

If Resolution 2 is passed, Mr Richard Crookes will be re-elected and will continue to act as a Director. If Resolution 2 is not passed, Mr Richard Crookes will not be re-elected and will cease to act as a Director.

3.2 Qualifications

Mr Richard Crookes has over 35 years' experience in the resources and investments industries. He is a geologist by training having worked in the industry most recently as the Chief Geologist and Mining Manager of Ernest Henry Mining in Australia. Mr Richard Crookes is a Partner of Lionhead Resources, a Critical Minerals Investment Fund and formerly an Investment Director at EMR Capital. Prior to that he was an Executive Director in Macquarie Bank's Metals Energy Capital (MEC) division where he managed all aspects of the bank's principal investments in mining and metals companies as well as the origination of numerous project finance transactions. Mr Richard Crookes has extensive experience in deal origination, evaluation, structuring and completing investment entry and exits for

both private and public resource companies in Australia and overseas, as well as execution of Project Finance transactions in Africa.

3.3 Other material directorships

As at the date of this Notice, Mr Richard Crookes is currently a director of Brightstar Resources Ltd (ASX:BTR). In the past three years Mr Richard Crookes has also held directorships at Vital Metals Limited (ASX:VML), and Lithium Power International Ltd (ASX:LPI).

Mr Richard Crookes is a member of both the Audit & Risk and Remuneration & Nomination Committees.

3.4 Independence

Mr Richard Crookes was appointed to the Board on 16 October 2017. The Board considers that Mr Richard Crookes, if re-elected, will continue to be classified as an independent Director.

3.5 Board recommendation

The members of the Board, excluding Mr Richard Crookes, support the re-election of Mr Richard Crookes as a Director as his skills and extensive experience in the resources and investments industries, in both Australia and Africa, are an invaluable addition to the Board's existing skills matrix. In particular, Mr Crookes extensive experience in the execution of Project Finance transactions in Africa continues to be of great support to the Company as it completes financing, and transitions to development of Mahenge. The members of the Board, excluding Mr Richard Crookes, are comfortable that Mr Richard Crookes will continue to meet the time commitment and obligations required of a Director of the Company.

4 Resolution 3 – Approval of Additional 10% Placement Capacity

4.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**Listing Rule 7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes given it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately \$21 million as at the date of this Notice.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval. Accordingly, Resolution 3 is a special resolution, requiring approval of 75% of the votes cast by Shareholders entitled to vote on the resolution in order to be passed.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.2 The number of Equity Securities which may be issued pursuant to the Listing Rule 7.1A Mandate

Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the Listing Rule 7.1A Mandate is a moving calculation and will be based on the formula set out in Listing Rule 7.1A.2 at the time of issue of the Equity Securities.

That formula is:

$$(A \times D) - E$$

- A** is the number of Shares on issue 12 months immediately preceding the date of issue or agreement (**Relevant Period**):
- (a) plus the number of fully paid Shares issued in the Relevant Period under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17;
 - (b) plus the number of fully paid Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved or taken under the Listing Rules to have been approved, under Listing Rules 7.1 or 7.4;
 - (c) plus the number of Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the Relevant Period; or
 - (ii) the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or 7.4;
 - (d) plus the number of fully paid Shares issued in the Relevant Period with approval of holders of Shares under Listing Rules 7.1 and 7.4;
 - (e) plus the number of partly paid Shares that become fully paid in the Relevant Period; and
 - (f) less the number of fully paid Shares cancelled in the Relevant Period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%; and

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement to issue has not been subsequently approved by Shareholders under Listing Rule 7.4.

4.3 Specific information required by Listing Rule 7.3A

- (a) If the Resolution is passed, the Listing Rule 7.1A Mandate will be valid during the period from the date of the Meeting and will expire on the earlier of:

- (i) the date that is 12 months after the date of the Meeting;
 - (ii) the time and date of the Company's next annual general meeting; and
 - (iii) the time and date on which the Company receives approval by Shareholders for a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities to be issued will be in an existing class of quoted securities and will be issued for cash consideration at an issue price per Equity Security of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in the class were recorded immediately before:
- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
 - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The Shares issued under the Listing Rule 7.1A Mandate will likely be issued to raise capital to progress Mahenge and for general working capital.
- (d) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the Listing Rule 7.1A Mandate, the existing Shareholders' economic and voting interests in the Company will be diluted. There is also a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date the Listing Rule 7.1A Mandate was approved; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date of the Equity Securities.

The table below demonstrates the potential dilution of existing Shareholders in three differing scenarios.

Variable 'A' (refer above for calculation)	Number of Shares issued and funds raised under the Listing Rule 7.1A Mandate & dilution effect	Dilution		
		\$0.005 Issue Price at half the current market price	\$0.01 Issue Price at current market price	\$0.02 Issue Price at double the current market price
Current Variable 'A' 2,148,233,974 Shares	Shares issued	214,823,397	214,823,397	214,823,397
	Funds raised	\$1,074,117	\$2,148,234	\$4,296,468
	Dilution	10%	10%	10%
50% increase in current Variable 'A' 3,222,350,961 Shares	Shares issued	322,235,096	322,235,096	322,235,096
	Funds raised	\$1,611,175	\$3,222,351	\$6,444,702
	Dilution	10%	10%	10%

Variable 'A' (refer above for calculation)	Number of Shares issued and funds raised under the Listing Rule 7.1A Mandate & dilution effect	Dilution		
		\$0.005 Issue Price at half the current market price	\$0.01 Issue Price at current market price	\$0.02 Issue Price at double the current market price
100% increase in current Variable 'A' 4,296,467,948 Shares	Shares issued	429,646,794	429,646,794	429,646,794
	Funds raised	\$2,148,234	\$4,296,468	\$8,592,936
	Dilution	10%	10%	10%

Note: This table assumes:

- No convertible securities are exercised before the date of the issue of the Equity Securities.
- The issue of Equity Securities under the Listing Rule 7.1A Mandate consists only of Shares. If the issue of Equity Securities includes quoted Options, for the purposes of the above table, it is assumed that those quoted Options are exercised into Shares for the purposes of calculating the voting dilution effect on existing Shareholders.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Listing Rule 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

- (e) The identity of the persons to whom Shares will be issued is not yet known and will be determined on a case-by-case basis having regard to market conditions at the time of the proposed issue of Equity Securities and the Company's allocation policy, which involves consideration of matters including, but not limited to:
- (i) the purpose of the issue;
 - (ii) the ability of the Company to raise funds at the time of the proposed issue of Equity Securities and whether the raising of any funds under such placement could be carried out by means of an entitlement offer, or a placement and an entitlement offer;
 - (iii) the dilutionary effect of the proposed issue of the Equity Securities on existing Shareholders at the time of proposed issue of Equity Securities;
 - (iv) the financial situation and solvency of the Company; and
 - (v) advice from the Company's professional advisers, including corporate, financial and broking advisers (if applicable).

The persons to whom Shares will be issued under the Listing Rule 7.1A Mandate have not been determined as at the date of this Notice, but will not include related parties (or their Associates) of the Company.

- (f) The Company has not previously issued or agreed to issue Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **2:00pm (AWST) on Wednesday, 25 November 2026.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
