Mr. Marrone's election as Non-Executive Chairman will be subject to the receipt of shareholder approval at the Company's forthcoming extraordinary general meeting ("**EGM**") to be held in June 2026. Mr. Marrone has proven global gold discovery and development success with a strong track record of driving shareholder returns.

Peter Marrone is currently the Chairman and Chief Executive Officer of Allied Gold Corporation, a company which he and his management team took public in 2023. With the appointment of Mr. Marrone, Challenger will move to accelerate exploration planning and advance high-priority targets for resource growth across its project portfolio.

Challenger, with the assistance of Mr. Marrone, expects to announce additional executive appointments over the coming months to assist the existing executive team transition into production at Hualilan and expand the Company's exploration and growth focus.
