Att: Lewis Flynn

Dear Lewis,

CAPRICE RESOURCES LIMITED – RESPONSE TO PRICE QUERY

Caprice Resources Limited ("**Caprice**" or "**the Company**") refers to your Price Query dated 9 July 2025 and provides the following responses:

1. *Is CRS aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?*

No.

2. *If the answer to question 1 is "yes":*

- a) *Is CRS relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1?*

Not applicable.

- b) *Can an announcement be made immediately?*

Not applicable.

- c) *If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?*

Not applicable.

3. *If the answer to question 1 is "no", is there any other explanation that CRS may have for the recent trading in its securities?*

The Company is not aware of any reason for the recent trading in its securities. The Company is currently awaiting results from a recent drilling campaign at the Island Gold Project which completed on 1 June 2025. Drill core was submitted to the laboratory in batches on 13 May, 19 May, 3 June, 8 June and 9 June 2025.

The Company expects these results to be received in 3 to 5 weeks based on timing provided by the laboratory.

The Company confirms that samples are sent to the laboratory on a blind basis for assaying. Only the site Geology Manager and the Competent Person have a record of the drill holes and corresponding data for each sample batch. On receipt of assay results, the Geology Manager completes the data entry of the assays and QA/QC results into the Company's database. These entries are then checked and validated by the Competent Person prior to interpretation. The Company is confident that the protocols it has in place maintains the confidentiality of results.

4. *Please confirm that CRS is complying with the Listing Rules and, in particular, Listing Rule 3.1.*

The Company is of the belief that it was in compliance at all times with the Listing Rules, and in particular, Listing Rule 3.1.

5. *Please confirm that CRS's responses to the questions have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of CRS with delegated authority from the board to respond to ASX on disclosure matters.*

The Company confirms that its responses to the questions above have been authorised and approved by its Board in accordance with the Company's continuous disclosure policy.

Yours sincerely

Dear Ms Malone

Caprice Resources Limited ('CRS'): Price - Query

ASX refers to the following:

- A. The change in the price of CRS's securities from an intra-day high of \$0.056 on Tuesday, 8 July 2025 to an intra-day low of \$0.043 today.
- B. The significant increase in the volume of CRS's securities traded today.

Request for information

In light of this, ASX asks CRS to respond separately to each of the following questions and requests for information:

- 1. Is CRS aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?
- 2. If the answer to question 1 is "yes".
 - (a) Is CRS relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in CRS's securities would suggest to ASX that such information may have ceased to be confidential and therefore CRS may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.
 - (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).
 - (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
- 3. If the answer to question 1 is "no", is there any other explanation that CRS may have for the recent trading in its securities?
- 4. Please confirm that CRS is complying with the Listing Rules and, in particular, Listing Rule 3.1.
- 5. Please confirm that CRS's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of CRS with delegated authority from the board to respond to ASX on disclosure matters.

When and where to send your response

This request is made under Listing Rule 18.7. Your response is required as soon as reasonably possible and, in any event, by no later than **11:00 AM AWST Wednesday, 9 July 2025**. You should note that if the information

requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, CRS's obligation is to disclose the information 'immediately'. This may require the information to be disclosed before the deadline set out in the previous paragraph and may require CRS to request a trading halt immediately.

Your response should be sent to me by e-mail at **ListingsCompliancePerth@asx.com.au**. It should not be sent directly to the ASX Market Announcements Office. This is to allow me to review your response to confirm that it is in a form appropriate for release to the market, before it is published on the ASX Market Announcements Platform.

Trading halt

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is "yes" and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in CRS's securities under Listing Rule 17.1. If you wish a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;
- that you are not aware of any reason why the trading halt should not be granted; and
- any other information necessary to inform the market about the trading halt, or that we ask for.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

Suspension

If you are unable to respond to this letter by the time specified above, ASX will likely suspend trading in CRS's securities under Listing Rule 17.3.

Listing Rules 3.1 and 3.1A

In responding to this letter, you should have regard to CRS's obligations under Listing Rules 3.1 and 3.1A and also to Guidance Note 8 *Continuous Disclosure*: Listing Rules 3.1 – 3.1B. It should be noted that CRS's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

Release of correspondence between ASX and entity

ASX reserves the right to release all or any part of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A.

Yours sincerely
