Voting and Proxy Information

Voting on Resolutions

All Resolutions will be decided by poll.

Voting Eligibility

The time for determining eligibility to vote at the Meeting is set out on the front page of the Notice of Meeting. Only those Shareholders entered on the register of Shareholders at that time will be entitled to participate and vote at the Meeting, either in person, by proxy or attorney, or in the case of a corporate Shareholder, by a body corporate representative. Share transfers registered after that time will be disregarded in determining voting entitlements at the Meeting.

Voting in person

Shareholders entitled to vote at the Meeting (or their proxies, attorneys or corporate representatives who have been properly appointed – refer below) may attend the Meeting and vote in person.

For those participating electronically, voting will occur via the online platform at https://meetnow.global/M6SKAPD in accordance with the provisions of this Notice, the instructions for voting set out on that platform and in the Computershare Online Meeting Guide accompanying this Notice.

Voting by proxy

Shareholders entitled to vote at the Meeting may appoint a proxy to participate and vote on their behalf. To appoint a proxy, a Shareholder should complete the Proxy Form and submit that completed Proxy Form online, by mobile, by post or by fax in accordance with the instructions set out below.

A proxy need not be a Shareholder of the Company.

A Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the Shareholder appoints 2 proxies and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

If proxy holders vote, they must cast all directed proxies as directed. Any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

The Chair intends to vote undirected proxies able to be voted in favour of Resolutions 1 to 4. In exceptional circumstances, the Chair may change their voting intention on any Resolution, in which case an ASX announcement will be made.

A proxy is not revoked by the appointing shareholder attending and taking part in the meeting, unless the appointing shareholder votes at the meeting on a resolution for which the proxy is proposed to be used. In which case, the proxy must not vote on the resolution.

In relation to:

- Resolution 1, a vote must not be cast by a member of the Company's Key Management Personnel or their Closely Related Parties as a Shareholder or as a proxy unless that proxy is a directed proxy which is not cast on behalf of the Company's Key Management Personnel or their Closely Related Parties. If you intend to appoint any of those persons as your proxy, you should ensure that the appointment directs the proxy how to vote (by marking "For", "Against" or "Abstain");

- Resolutions 3 and 4, if a Shareholder appoints a member of the Key Management Personnel (which includes each of the Directors) other than the Chair, or a Closely Related Party of such a member, as a proxy, they will not be able to vote as your proxy on Resolutions 3 and 4 unless you direct them how to vote. If you intend to appoint any of those persons as your proxy, you should ensure that the appointment directs the proxy how to vote (by marking "For", "Against" or "Abstain"); and

- Resolutions 1, 3 and 4, a Shareholder who appoints the Chair as their proxy can direct them how to vote (in the manner specified above). If the Chair is appointed as proxy, and has not been directed how to vote, then by submitting the Proxy Form a Shareholder will be expressly authorising the Chair to exercise the undirected proxy, even though the Resolutions are connected, directly or indirectly, with the remuneration of the Company's Key Management Personnel.

There are additional voting exclusions which apply to Resolutions 3 and 4. These are set out on pages 13 and 14 of this Notice of Meeting.

To vote by proxy, please complete the Proxy Form. Completed Proxy Forms should be sent to the Company's share registrar, Computershare Investor Services Pty Ltd, as follows:

Resolution 1 – Adoption of Remuneration Report

General

Section 250R(2) of the Corporations Act requires that, at a listed company's annual general meeting, a resolution that the company's remuneration report be adopted be put to the vote. The Remuneration Report for the Company can be found in the Directors' Report contained in the Company's 2026 Annual Report.

The Remuneration Report contains information regarding:

- remuneration policy and strategy;
- the structure of non-executive Director, CEO and certain other senior executive remuneration arrangements, and how the Company seeks to align senior executive remuneration with Company performance; and
- the remuneration of non-executive Directors, the CEO and certain other senior executives for the year ended 30 June 2026.

This item provides a reasonable opportunity for Shareholders as a whole to comment on, and ask questions about, the Remuneration Report.

The vote on Resolution 1 is advisory only and will not bind the Company or the Directors of the Company.

However, the Board will take the outcome of the vote into consideration when reviewing the Company's remuneration practices and policies.

Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at 2 consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings, a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the Remuneration Report was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Previous voting results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

Directors' recommendation and voting intention

The Directors consider that adoption of the Remuneration Report is in the best interests of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 1.

The Chair intends to vote any available, undirected proxies in favour of Resolution 1.

Voting exclusion statement

No votes may be cast on Resolution 1 by or on behalf of a member of the Company's Key Management Personnel named in the Company's Remuneration Report for the year ended 30 June 2026 or their Closely Related Parties, regardless of the capacity in which the vote is cast, unless the vote is cast as proxy for a person entitled to vote on Resolution 1:

- in accordance with a written direction as to how to vote on the Proxy Form; or
- by the Chair pursuant to an express authorisation to exercise the proxy even though Resolution 1 is connected with the remuneration of the Company's Key Management Personnel. If you appoint the Chair as your proxy, and you do not direct your proxy how to vote on Resolution 1 you will be expressly authorising the Chair to exercise your proxy even if Resolution 1 is connected directly or indirectly with the remuneration of the Company's Key Management Personnel, which includes the Chair.

Resolution 2 – Re-election of Director – James Brown

Re-election of Director by rotation

The ASX Listing Rules and the Constitution prescribe a process by which Directors (other than the Managing Director) regularly retire from office. Retiring Directors may offer themselves for re-election.

Pursuant to ASX Listing Rule 14.4 and rule 7.1(d) of the Constitution, Mr. James Brown retires by way of rotation and, being eligible, offers himself for re-election as a Director of the Company.

Qualifications and other material directorships

A description of Mr. Brown's experience and qualifications is set out below.

James Brown	**Qualifications/Experience**
Non-Executive Director since 14 August 2013	Mr. Brown serves as a Non-Executive Director and member of the Nomination and Remuneration Committee. Mr. Brown was initially appointed as a Non-Executive Director of the Company on 14 August 2013. In addition, he held the role of Executive Director and Interim Chief Executive Officer of Elevra from August 2023 until July 2024. Mr. Brown transitioned to a Non-Executive Director immediately after the effective time of the Merger. Mr. Brown currently serves as Managing Director of Morella Corporation Limited and as a Non-Executive Director of Greenwing Resources Limited. Mr. Brown has over 40 years' experience in the mining industry in Australia, the United States, Africa and Indonesia, including the last 15 years as Managing Director of Morella Corporation Limited. Mr. Brown has successfully sourced, developed and operated numerous key global projects with a focus on lithium and battery materials. He has an extensive global investment network to underpin the capital requirements for project investment and development. Mr. Brown holds a Graduate Diploma in Mining from University of Ballarat and is a Member of the Australian Institute of Company Directors. **Directorships of other listed companies:** Morella Corporation Limited (ASX: 1MC) – Managing Director. Greenwing Resources Limited (ASX: GW1) - Non-Executive Director.

Independence

The Board has determined that, if re-elected, Mr. James Brown will not be an independent Director as he is a former Executive Director/Interim Chief Executive Officer of the Company and was appointed as a Non-Executive Director without a period of at least three years between him ceasing such employment and serving on the Board.

Directors' recommendation and voting intention

The Directors consider that the re-election of Mr. James Brown is in the best interests of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 2 (with Mr. James Brown abstaining).

Reasons for the Board's recommendation in respect of the re-election of Mr. James Brown include:

(a) his extensive mining industry experience and his deep knowledge of the business and assets of the Company;

(b) his relevant lithium and battery materials expertise which, together with the incumbent Directors, ensures an appropriately diverse skills matrix for the Board;

(c) his extensive capital markets and project development experience – which the Board considers to be particularly valuable as the Company continues to grow, expand its operations and assess future development opportunities; and

(d) the continuity benefits arising from the re-election of incumbent Directors, including their ability to oversee the ongoing implementation of the Company's growth and development strategy.

The Chair intends to vote any undirected proxies in favour of Resolution 2.

Resolutions 3 and 4 – Issue of Performance Rights to Managing Director & CEO

General

The proposed grants of Performance Rights to Mr. Lucas Dow, the Company's Managing Director & Chief Executive Officer, under Resolutions 3 and 4, are key components of the Company's remuneration arrangements for Mr. Dow. The Board considers that the proposed grants of FY2027 LTI and STI Performance Rights to Mr. Lucas Dow, who has the capacity to influence the long-term performance of the Company, is part of an Executive KMP framework that:

(a) ensures there is effective alignment between shareholder wealth creation, performance and reward, taking into account the size and scope of the Company's operations;

(b) is appropriate to reward and retain the high performing team at Elevra; and

(c) is aligned to achieving the Company's purpose and strategic growth objectives.

In summary, Mr. Dow's current total remuneration package for FY2027 is set out below:

Equity Incentive Plan

The Company proposes to issue:

(a) 56,558 STI Performance Rights; and

(b) 140,050 LTI Performance Rights,

(**Performance Rights**) pursuant to the Company's Equity Incentive Plan (**EIP**) to Managing Director and CEO, Mr. Lucas Dow.

The Performance Rights will be governed by the rules of the EIP and the terms and conditions (including Vesting Conditions) detailed below.

Resolution 3 (STI Performance Rights) and Resolution 4 (LTI Performance Rights) seek Shareholder approval for the issue of the Performance Rights to Mr. Lucas Dow under the EIP, and for the issue or transfer (as applicable) of Shares to Mr. Lucas Dow on the vesting and exercise of those Performance Rights.

Terms and conditions applicable to the Performance Rights

The Performance Rights will be subject to the EIP rules and the terms and conditions set out in the table below and under the "*Performance hurdles applicable to the STI Performance Rights*" and "*Performance hurdles applicable to the LTI Performance Rights*" sections.

Initial Allocation of Performance Rights	The Performance Rights that are to be allocated to Mr. Lucas Dow are as follows: • 56,558 STI Performance Rights (**Allocated STI Performance Rights**); and • 140,050 LTI Performance Rights (**Allocated LTI Performance Rights**).
Vesting Conditions	In order for a Performance Right to vest and become exercisable, certain conditions must be satisfied. The conditions which must be satisfied in order for any Allocated STI Performance Rights to vest (**STI Vesting Conditions**) are: • satisfaction of the STI Performance Hurdles; • compliance by Mr. Lucas Dow with all Company policies and procedures during the period from the STI Grant Date to the STI Vesting Date; and • Mr. Lucas Dow remaining employed with the Company or a subsidiary of the Company from the STI Grant Date to the STI Vesting Date (including the additional 12-month employment condition). Quantity of Performance Rights that vest	If the STI Vesting Conditions are satisfied, the number of Allocated STI Performance Rights that will vest is as determined in accordance with the Performance Hurdles applicable to the STI Performance Rights (see below) (**Vested STI Performance Rights**). If the LTI Vesting Conditions are satisfied, the number of Allocated LTI Performance Rights that will vest is as determined in accordance with the Performance Hurdle applicable to the LTI Performance Rights (see below) (**Vested LTI Performance Rights**).
Vesting Dates	Vested STI Performance Rights will vest on the date that the Company notifies Mr Lucas Dow of that vesting (**STI Vesting Date**) which is expected to be no later than 30 September 2028 (including the additional 12-month employment condition). Vested LTI Performance Rights will vest on the date that the Company notifies Mr Lucas Dow of that vesting (**LTI Vesting Date**) which is expected to be no later than 31 August 2029. Any Allocated STI Performance Rights or Allocated LTI Performance Rights which fail to vest on or before the applicable vesting date will automatically lapse.
Exercise	Vested STI Performance Rights will be capable of being exercised at any time before the date which is two years after the STI Vesting Date (**STI Expiry Date**) by delivery of a notice of exercise to the Company. Any Vested STI Performance Rights not exercised by the STI Expiry Date will expire. Vested LTI Performance Rights will be capable of being exercised at any time before the date which is two years after the LTI Vesting Date (**LTI Expiry Date**) by delivery of a notice of exercise to the Company. Any Vested LTI Performance Rights not exercised by the LTI Expiry Date will expire.
New issues	The Performance Rights do not confer a right on Mr. Lucas Dow to participate in new issues of securities (including entitlement issues or bonus issues) unless and until the Vesting Conditions have been satisfied and the Performance Rights have been converted into Shares.
Change of Control	The EIP contains terms related to a change of control event. In summary, if a change of control event occurs the Board may decide that some or all of a participant's Performance Rights will vest or lapse/be forfeited.
Cessation of employment	Unless the Board determines otherwise, where Mr. Lucas Dow's employment is terminated: • for cause or he resigns, his unvested Performance Rights will lapse; or • in other circumstances, a pro rata portion of his unvested Performance Rights (based on the proportion of the performance period that he is employed by the Company) will remain on foot and will be tested in the ordinary course as though he had not ceased employment. The remainder of the Performance Rights will lapse. Any vested but unexercised Performance Rights will remain on foot if Mr. Lucas Dow's employment is terminated, unless the Board determines otherwise.
Clawback and malus	The Board maintains a broad discretion under the EIP to lapse, forfeit or clawback awards of Performance Rights and the proceeds of those awards in appropriate circumstances. Such circumstances include where an employee has committed any act of fraud or gross misconduct in relation to the affairs of Elevra, acted in a manner which brings the Company into disrepute or negatively impacts the Company's reputation in a material way, or materially breached their duties or obligations to Elevra. The discretion also extends to situations where vesting or release of Performance Rights is not justified or supportable in the opinion of the Board.

Performance hurdles applicable to the STI Performance Rights

The Board has set the following performance objectives for Mr. Lucas Dow which are used to determine the number of Allocated STI Performance Rights which vest for the financial year ending 30 June 2027 (**Performance Hurdles**).

Performance Hurdles	Description of Hurdle	Weight
Safety, Sustainability and Risk Management	Identified safety, sustainability and risk initiatives and metrics developed and approved by the Board for FY2027, including the continued improvement in the Company's safety, compliance and risk management performance indicators.	20%

Production	Annualised spodumene concentrate production targets.	30%
Cost	Annualised average unit costs per tonne of spodumene concentrate sold.	30%
Strategic / Key Objectives	Identified strategic and key objectives for FY2027, including Project development and NAL Expansion Project Execution	20%
Total		**100%**

At the end of the financial year ending 30 June 2027, the Board will review Mr. Lucas Dow's performance against the Performance Hurdles and will rate his performance reflecting the extent to which the Performance Hurdles were achieved during the year (**Personal Performance Score**).

The number of Allocated STI Performance Rights that vest on the STI Vesting Date (which is expected to be no later than 30 September 2028, including the additional 12-month employment condition) will be calculated as follows:

Vested STI Performance Rights *= Allocated STI Performance Rights x Personal Performance Score (as a percentage)*

Any Allocated STI Performance Rights that do not vest will lapse.

Performance hurdle applicable to the LTI Performance Rights

The LTI Performance Rights are subject to the Relative Total Shareholder Return (**RTSR**) hurdle described below (**LTI Performance Hurdle**).

The RTSR hurdle measures the Company's Total Shareholder Return over a three-year period from 1 July 2026 to 30 June 2029 relative to the TSR of the Comparator Group.

For this hurdle:

- "**Total Shareholder Return**" or "**TSR**" means, in respect of a company, the growth in a company's share price together with the value of any dividends paid during the period (assuming that all of those dividends are reinvested into new shares); and
- "**Comparator Group**" means each of the following companies. The Board may adjust the Comparator Group to take into account events including, but not limited to, takeovers, mergers or de-mergers that might occur during the performance period:

Albemarle Corporation (NYSE:ALB)	Lithium Americas Corp. (TSX:LAC)
Pilbara Minerals Limited (ASX:PLS)	Vulcan Energy Resources Limited (ASX:VUL)
Mineral Resources Limited (ASX:MIN)	PMET Resources Inc. (TSX:PMET)
IGO Limited (ASX:IGO)	Ioneer Ltd (ASX:INR)
Critical Elements (TSXV:CRE)	Standard Lithium Ltd. (TSXV:SLI)
Liontown Resources Limited (ASX:LTR)	Core Lithium Ltd (ASX:CXO)
Sigma Lithium Corporation (TSXV:SGML)	Frontier Lithium (TSXV:FL)
Lithium Ionic (TSXV:LTH)	Li-FT Power (TSXV: LIFT)

Unless the Board determines otherwise, for the purposes of calculating a company's TSR, the share price of the company:

- at the start of the 3-year measurement period will be determined using the VWAP of that company's shares over the 10 trading days from and including 1 July 2026; and
- at the end of the 3-year measurement period will be determined using the VWAP of that company's shares over the last 10 trading days prior to 30 June 2029.

The percentage of LTI Performance Rights that will be eligible to vest will be determined in accordance with the following table:

TSR of the Company relative to TSR of the Comparator Group	Vesting Percentage for LTI Performance Rights
At or above the 75th percentile	100%
Between the 50th percentile and 75th percentile	Pro-rata straight line vesting between 50% to 100%
At the 50th percentile	50%
Below the 50th percentile	Nil

The Board will assess the extent to which the vesting conditions have been satisfied. Where the compliance condition and the employment condition have both been satisfied (as determined by the Board), the number of LTI Performance Rights that vest is determined as follows:

Vested LTI Performance Rights *= LTI Performance Rights x Vesting Percentage*

Mr. Lucas Dow will be notified of the number of Vested LTI Performance Rights as soon as reasonably practicable after determination (expected to be no later than 31 August 2029). Any LTI Performance Rights that do not vest will lapse.

On exercise, Mr. Lucas Dow will be allocated one Share for each vested LTI Performance Right at no cost to him (unless the Board determines to make an equivalent value cash payment in lieu of an allocation of Shares).

ASX Listing Rule 10.14

Specific information required by ASX Listing Rule 10.15

(d) **Details (including the amount) of the director's current total remuneration package:** Details of Mr. Lucas Dow's current total annual remuneration package is set out in the table above.

(ii) The Performance Rights are unquoted performance rights to acquire ordinary shares. The Company has chosen to grant the STI Performance Rights and the LTI Performance Rights to Mr. Lucas Dow as it believes that:

A. the proposed issue of those performance rights will provide a means to further motivate and reward Mr. Lucas Dow for achieving specified performance milestones linked to the strategic goals and targets of the Company; and

B. it is a cost-effective remuneration structure which preserves the Company's cash reserves whilst aligning the interests of Mr. Lucas Dow with those of all Shareholders.

(iii) The value of the Performance Rights issued to Mr Lucas Dow will be approximately $446,250 in the case of the STI Performance Rights (with the other 50% of the STI award settled in cash) and $1,105,000 in the case of the LTI Performance Rights (as detailed in the table above).

(i) **Loan**: No loan is being made to Mr. Lucas Dow in connection with the acquisition of the Performance Rights (or any resulting Shares).

(k) Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the EIP after the Resolution is passed and who were not named in this Notice will not participate until approval is obtained under ASX Listing Rule 10.14 or the grant is made under Listing Rule 10.16.

(l) A voting exclusion statement has been included below and applies to both Resolutions 3 and 4.

Additional information required by ASX Listing Rule 14.1A

If Resolutions 3 and 4 are passed, the Company will be able to proceed with the issue of the Performance Rights to Mr. Lucas Dow under the EIP within three years after the date of the Meeting.

If Resolutions 3 and 4 are not passed, the Company will not be able to proceed with the issue of the Performance Rights to Mr. Lucas Dow under the EIP and may consider alternative forms of remuneration and incentivisation for Mr. Lucas Dow.

Resolutions 3 and 4 are not inter-conditional, which means that one can pass without the other. For example, if Resolution 3 does not pass, Resolution 4 may still pass if more than 50% of votes cast are in favour (and vice versa).

Directors' recommendation and voting intention

The Directors (other than Mr. Lucas Dow who did not participate in Board deliberations regarding this recommendation or the matters contemplated by Resolutions 3 and 4) consider the grant of the Performance Rights to Mr. Lucas Dow to be reasonable and otherwise appropriate in the circumstances, and that the ongoing retention and incentivisation of Mr. Lucas Dow, and the alignment of his interests with Shareholders, are in the best interests of Shareholders. Accordingly, those Directors (other than Mr. Lucas Dow) unanimously recommend that Shareholders vote in favour of Resolutions 3 and 4.

The Chair intends to vote any undirected proxies able to be voted in favour of Resolutions 3 and 4.

Voting exclusion statement

The Company will disregard any votes cast on Resolutions 3 and 4:

- in favour of the Resolutions by or on behalf of a person referred to in Rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the EIP or any of their associates, regardless of the capacity in which the vote is cast; or
- as a proxy by a person who is a member of the Company's Key Management Personnel at the date of the AGM or their Closely Related Parties,

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

Default to the Chair of the Meeting: If you leave Step 1 blank, or if your appointed proxy does not vote on a poll in accordance with your directions or does not attend the Meeting, then the proxy appointment will automatically default to the Chair of the Meeting, who is required to vote the proxies as directed.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, either of the security holders may sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach the original or a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held.
