

ASX Announcement

15th October 2026

All Conditions Finalised for AngloGold Ashanti Option

Matsa Resources Limited (“Matsa” or “the Company”) refers to its previous ASX announcement dated 22 September 2026¹ whereby Matsa and AngloGold Ashanti Australia Limited (“AngloGold Ashanti”) entered into a revised Tenement Option Agreement (“Revised TOA”) where AngloGold Ashanti exercised the option early to acquire specific tenements of Matsa's Lake Carey Gold Project near Laverton Western Australia.

Matsa is pleased to advise that all conditions have now been met and settlement of the transaction will occur within 15 business days which is when Matsa expects to receive the final amount of \$45M from AngloGold Ashanti for the sale of the five tenements. On 25 September 2026² Matsa advised that it had received the \$10M deposit from AngloGold.

The Company will keep shareholders informed by way of further ASX announcements when the final completion payment has been received.

This ASX announcement is authorised for release by the Board of Matsa Resources Limited.
