6. Restrictions on KMPs voting undirected proxies:

A vote must not be cast as proxy on any of Resolutions 1 and 4 by a member of the Key Management Personnel (as defined by the Corporations Act) or a closely related party of Key Management Personnel.

However, a person described above (a “**Restricted Voter**”) may cast a vote on behalf of a person who is not a Restricted Voter on any of Resolutions 1 and 4 as a proxy if:

- a) the Restricted Voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the Resolution(s); or
- b) the Chair is the Restricted Voter and the written appointment of the Chair as proxy does not specify the way the proxy is to vote on the Resolution(s) and expressly authorises the Chair to exercise the proxy even though the Resolution(s) is or are connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

EXPLANATORY STATEMENT

PURPOSE OF INFORMATION

This Explanatory Statement (“**Statement**”) accompanies and forms part of the Company’s Notice of Annual General Meeting (“**Notice**”) for the 2022 Annual General Meeting (“**Meeting**”).

This Notice incorporates, and should be read together, with this Statement.

ORDINARY BUSINESS

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2022 which incorporates the Company’s financial report, reports of the Directors (including the Remuneration Report and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contracting the Company by phone at (03) 9692 7222, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company’s website: <https://mithrilresources.com.au/> or via the Company’s announcement platform on ASX.

Except as set out in Resolution 1, no resolution is required on these reports.

Shareholders will have the opportunity to ask questions about, or make comments on, the 2022 Annual Report and the management of the Company. The auditor will be invited to attend, to answer questions about the audit of the Company’s 2022 Annual Financial Statements.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors’ Report in the Company’s June 2022 Annual Report. The Remuneration Report sets out the Company’s remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a “**spill resolution**”) that another meeting be held within 90 days at which all of the Company’s Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company’s last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast on that resolution and accordingly, a spill resolution will not under any circumstances be required for this Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company’s remuneration policies.

Voting Exclusions

A voting exclusion statement is set out under Note 5 of this Notice.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this Resolution, the Directors unanimously recommend that Shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

Resolution 2: Re-Election of Mr Stephen Layton as a Director of the Company

Background

Resolution 2 is a resolution for the re-election of Mr Stephen Layton as a Director of the Company.

Pursuant to rule 6.1 of the constitution of the Company ("**Constitution**"), at each AGM one-third of Directors or, if their number is not a multiple of three (3), then the number nearest to but not more than one-third of Directors must retire from office. The Company has three (3) Directors and therefore one is required to retire.

Rule 6.2 of the Constitution provides that the Directors to retire by rotation at an AGM are those Directors who have been longest in office since their last election or appointment. Directors elected or appointed on the same day may agree among themselves or determine by lot which of them must retire. All of the Directors were last elected at the 2020 AGM and Mr Garry Thomas at the 2021 AGM, accordingly the Directors have agreed among themselves that Mr Stephen Layton shall retire at the 2022 AGM.

Noting the above, Mr Stephen Layton retires by rotation and, being eligible, offers himself for re-election.

Stephen is a seasoned capital markets professional who specialises in resources. He has over 35 years' experience in Equity Capital Markets in the UK and Australia and has worked with various stockbroking firms and AFSL regulated Corporate Advisory forms.

Stephen is a Master Practitioner Member of the Stockbrokers and Investment Advisors Association- MSIAA and a Non-Executive Director of EQ Resources Limited.

Voting Exclusions

A voting exclusion statement is set out under Note 5 of this Notice.

Board Recommendation

The Board (with Mr Layton abstaining) unanimously support the re-election of Mr Stephen Layton as a Director of the Company.

Resolution 3: Ratification of Prior Issue of Shares

Background

On 18 August 2022 (**Issue Date**), the Company issued 10,000,000 fully paid ordinary shares (**Placement Shares**), at an issue price of \$0.005 (0.5 cent) per share, to the vendor of the Copalquin mining concessions, Mithril having reached the 50% ownership milestone as per the Purchase Option Agreement detailed in the ASX release dated 25/11/2019(**the Issue**).

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions:

- Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period (**Placement Capacity**)
- Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**Extra Placement Capacity**). This Extra Placement Capacity pertains to quotable securities only. The Company obtained approval for the Extra Placement Capacity at the annual general meeting held on 23 November 2021.

The issue of the Placement Securities does not fit within any of the expectations set out in Listing Rule 7.2, and it has not yet been approved by Shareholders:

- the issue of the Placement Shares was made under the Placement Capacity and the Extra Placement Capacity of the Company, effectively reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12-month period following the date of issue of the Tranche 1 Placement Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and 7.1A and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks shareholder approval to the Issue under and for the purposes of Listing Rule 7.4.

If this Resolution is passed, the Issue will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the Issue Date.

If this Resolution is not passed, the Issue will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the Issue Date.

ASX Listing Rule 7.5 requires that the following information be provided to shareholders for the purpose of obtaining shareholder approval pursuant to ASX Listing Rule 7.4:

- the Placement Shares were issued and allotted to Sr Miguel Angel Matas.
- the number and class of securities issued were 10,000,000 fully paid ordinary shares in the Company.
- the Placement Shares were issued on 18 August 2022.
- the Placement Shares were issued at \$0.005 (0.5 cent) each.
- the purpose of the Issue was a part of its exclusive option term to purchase 100% ownership in the Copalquin site.

Voting Exclusions

A voting exclusion statement is set out under Note 5 of this Notice.

Board Recommendation

The Board recommends that shareholders vote in favour of this Resolution. The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Resolution 4: Renewal of Employee Share Plan

Shareholders approved the EIP on 14 November 2018 which expired for Listing Rule purposes after three years from the date of approval.

The Board is committed to incentivising and retaining the Company's directors, employees and consultants in a manner which promotes alignment of their interests with shareholder interests. Additionally, the Board considers equity-based compensation an integral component of the Company's remuneration platform as it allows it to be fiscally prudent by conserving cash resources while still enabling it to offer market-competitive remuneration arrangements.

The EIP enables employees, directors or such other persons as the Board should deem fit, to receive shares, options to acquire shares in the Company, other securities, or rights or interests such as performance rights.

No directors or their associates can or will be issued shares, options or other securities or rights under the EIP unless shareholder approval of specific issues to them is obtained. Under the EIP the Company may acquire shares on market to be held on trust for directors or their associates.

Approval is sought to issue up to 52 million equity securities (shares, options or other rights including performance rights each conditionally entitling the applicable holder to one fully paid ordinary share upon exercise or achievement of the applicable milestone). Any additional issues under the EIP above that number would require further shareholder approval, unless the total number of securities issued does not exceed 5% of the then issued shares of the Company.

The objects of the Plan are to:

- provide eligible employees with an additional incentive to work to improve the performance of the Company;
- attract and retain eligible employees essential for the continued growth and development of the Company;
- promote and foster loyalty and support amongst eligible employees for the benefit of the Company;
- enhance the relationship between the Company and eligible employees for the long-term mutual benefit of all parties; and
- provide eligible employees with the opportunity to acquire shares, options, or rights in the Company, in accordance with the EIP.

ASX Listing Rules

ASX Listing Rule 7.1 requires that shareholder approval is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of securities at the commencement of that 12-month period.

ASX Listing Rule 7.2 exception 13(b) provides an exception to ASX Listing Rule 7.1 for securities issued under an employee incentive scheme within 3 years after shareholder approval of the scheme. The Company therefore seeks approval of the EIP under ASX Listing Rule 7.2 exception 13(b) so that issues of securities under the EIP do not impede the capacity of the Company to issue up to a further 15% of its capital without shareholder approval.

Since 14 November 2018, the date on which Shareholders approved the previous EIP, the Company has issued nil securities have been issued under the EIP. As at 5 October 2022, there was nil securities on issue pursuant to the EIP.

A summary of the key terms of the EIP is set out in **Annexure A** and a copy of the EIP Rules is available upon request from the Company.

In the Board's opinion, this Resolution will assist the Company in managing its capital requirements efficiently by ensuring that the Company's annual issue limit is not diminished by issues of shares under the EIP and capacity is available for capital management initiatives and acquisitions, if necessary and appropriate.

Corporations Act

Approval is also sought for the purposes of sections 259B and 260C of the Corporations Act 2001 (Cth).

The Plan provides for the Company to take security over shares issued under the Plan, and to place restrictions on transfer and voting which may also constitute taking security over its own shares. Section 259B(1) of the Corporations Act provides that a company must not take security over shares in itself except as permitted by the Corporations Act. Section 259B(2) provides that the Company may take security over shares in itself under an employee share scheme that has been approved by shareholders at a general meeting.

Under section 260C(4) of the Corporations Act, a company may financially assist a person to acquire its shares if the financial assistance is given under an employee share scheme that is approved by shareholders at a general meeting. The Plan provides that the Company may make loans in respect of shares or other securities issued or to be acquired under the Plan and/or acquire shares or other securities to be held on trust for eligible participants. This may be considered to be the Company providing financial assistance for the acquisition of its own shares or other securities.

Voting Exclusions

A voting exclusion statement is set out under Note 5 of this Notice.

Board Recommendation

As the Directors of the Company are excluded from voting pursuant to the Listing Rules, they make no recommendation to the shareholders in respect of the EIP.

Resolutions 5: Approval of Grant of Options to Mr John Skeet (or his nominee)

Background

Resolution 5 provides for a total of up to 25,000,000 unquoted options ("the Options") to be granted under the Company's Employee Incentive Plan (EIP) which is proposed to be approved by shareholders at this Meeting, to Mr John Skeet of the Company (or his respective nominee) as described below:

Director	Number of Options	Exercise price [^]	Expiry Date
Mr John Skeet	25,000,000	0.015	3 years after date of issue
Total	25,000,000		

The full terms of the Options are outlined below.

Director Remuneration Package and Interests

As at the date of this Notice, the details (including the amount) of the current total remuneration package of Mr John Skeet to whom (or to whose nominee) Options would be issued if Resolution 5 is passed are:

Director	Remuneration Package Details
Mr John Skeet	\$180,000 p.a. (plus super)

The above does not include the proposed Options. The Company has prepared an assessment of the indicative fair value of the Options as summarised below. The value is indicative only, based on assumptions relevant at the date of the calculation, being 26 September 2022. Different assumptions may be relevant at grant date which may alter the value of the Options for financial reporting purposes. The indicative value assumes the exercise price at the time of the issue of the Options is \$0.0030. The total remuneration packages in the above table would be increased for each of the above Directors by the total per Director set out in the following table, based on the assumptions. The actual valuation amount will not be able to be calculated until the Options are issued, when the exercise price will be known (at which time other assumptions may also have changed)

Assessment	
Indicative fair value per Option	\$0.0030
Number of Options for Mr John Skeet	25,000,000 Options
Total \$ for Mr John Skeet	\$75,000
Total Options	25,000,000
Total \$	\$75,000

The indicative fair value was calculated using the Black-Scholes valuation model. The assumptions used in the valuation model were as follows:

Assessment	
Valuation date	26 September 2022 [^]
Spot price	\$0.0050
Exercise Price	\$0.0150
Vesting date	12 months from issue
Expiry date	3 years from issue
Expected future volatility ⁺	130%
Risk free rate	3.63%
Dividend yield	Nil

[^]Based on the issue date being the valuation date.

⁺Based on assessment of historical volatility over 3-year trading period, however, historical volatility may not be a reasonable proxy for expected future volatility.

As at the date of this Notice, the Directors who are proposed to receive the Options have the following direct and indirect interests in shares and/or options of the Company:

Director/Shareholder (and / or associate(s))	Existing Shares & % holding	Existing unquoted options	Existing unquoted performance rights
Trimin Pty Ltd	224,163,615 (7.62%)	-	-

Following issue of the Options, Mr John Skeet (or his nominee) will hold 25,000,000 Options. If Mr Skeet options were to be exercised (assuming there were no other issues of shares, the above percentages would increase as follows: by 7.62% to 8.47%.

Corporations Act

The Board has formed the view that the issues of Options to Mr Skeet (or his respective nominee) do not require Shareholder approval under section 208 of the Corporations Act as the issues constitute “reasonable remuneration” in accordance with section 211 of the Corporations Act.

A “financial benefit” is defined in section 229 of the Corporations Act and includes granting an option to a related party.

Section 228 of the Corporations Act defines a “related party” for the purposes of Chapter 2E to include:

- directors of the public company (section 228(2)(a)); and
- an entity controlled by directors of the public company (section 228(4)). Section 228(5) provides that an entity is a related party of a public company at a particular time if the entity was a related party of the public company of a kind referred to in subsection (1), (2), (3) or (4) at any time within the previous 6 months.

In reaching this view, the Board considers the proposed grant of Options aligns the interests of the Director with the interests of Shareholders. The grant of Options to the Director is a cost-effective form of remuneration when compared to the payment of cash consideration.

Consistent with the desire to minimise cash expenditure, the Board believes that having regard to the Company's current cash position, and the Company's objective to use available cash to fund its operations in the near future, and in order to compensate the above Director in line with current market practices, Options provide an appropriate and meaningful remuneration component to the above Director that is aligned with Shareholder interest.

If Resolution 5 is passed and the Options are issued, the Director proposed to receive securities under Resolutions 5 (including direct and indirect interests) will have a relevant interest in 25,000,000 Options, as set out in the table on page 11.

ASX Listing Rule 10.14

The Company is proposing to issue the Options under the EIP, which is an employee incentive scheme as defined in the Listing Rules.

Listing Rules 10.14 provides that a listed company must not, without the approval of shareholders, permit any of the following persons to acquire equity securities under an employee incentive scheme:

- 10.14.1: a director of the Company;
- 10.14.2: an associate of a director of the Company; or
- 10.14.3: a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

The proposed issue of the Options falls within Listing Rules 10.14.1 and/or 10.14.2 above, as the proposed recipients of the Options, each of whom is a director of the Company, and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

Resolution 5 seeks the required shareholder approval to the issue under and for the purposes of Listing Rule 10.14.

If Resolution 5 is passed, the Company will be able to proceed with the issue of the Options and the Director (or his nominee(s)) will receive the number of Options set out in the table on page 11 of the Explanatory Statement, with the increase in his remuneration and potential increase in his shareholdings as described on page 12.

If Resolution 5 is not passed, the Company will not proceed with the issue of the Options to the relevant Director, and the relevant Director (or his nominee(s)) will not receive the Options as described on page 11.

If approval is given under ASX Listing Rule 10.14, the issue of Options will fall within Listing Rule 7.2 Exception 14 and therefore Listing Rule 7.1 will not apply to the issue of the Options.

The following information is given under ASX Listing Rule 10.15 in respect of the proposed acquisition of Options by the Director under Resolutions 5:

- (a) the proposed recipient is Mr John Skeet, of whom is a Director of the Company, or his respective nominee (each of which would be an associate of the Director).
- (b) 25,000,000 Options are proposed to be issued to Mr Skeet.
- (c) The current total remuneration packages of Mr Skeet, is set out on page 12.
- (d) details of the securities previously issued to the Directors under the EIP are nil.
- (e) each Option will have an exercise price calculated in accordance with the table on page 12, will vest upon issue, will expire three (3) years after the date of issue and will, upon exercise, entitle the holder to one fully paid ordinary share in the Company.
- (f) the Options will be issued no later than one month after the Meeting.
- (g) The Options will be issued as a remuneration. As such, there is no issue price for, and the Company will not receive cash from issue of the Options. Funds raised upon exercise of the Options will be applied to the working capital requirements of the Company at the time of exercise.
- (h) A summary of the material terms of the EIP is included in Annexure A.
- (i) No loans will be made to the Directors or their nominees in relation to the acquisition of the Options.
- (j) Details of any securities issued under the EIP will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14; and
- (k) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the EIP after Resolution 5 is approved and who are not named in this Notice and Explanatory Statement will not participate until approval is obtained under that rule.

Voting Exclusions

A voting exclusion statement is set out under Note 5 of this Notice.

Board Recommendation

The Board recommends that Shareholders vote in favour of this resolution.

Resolution 7: Approval of Additional Capacity to Issue Shares under ASX Listing Rule 7.1A

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting ("10% Placement Facility"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of this resolution will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period (as described below) without using the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve this resolution, the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

If Shareholders do not approve this resolution, the Company will not have the capacity to issue Equity Securities under the 10% Placement Facility, nor will it issue any Equity Securities under the 10% Placement Facility.

The resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Description of Listing Rule 7.1A

a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by shareholders, present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at the date of the Notice, has on issue three classes of Equity Securities, quoted Fully Paid Ordinary Shares, Unquoted Options and Unquoted Performance Rights.

c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of quoted Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of fully paid ordinary securities on issue 12 months before the date of the issue or agreement to issue:
- i. plus the number of fully paid shares issued in the relevant 12 months under an exception in ASX Listing Rule 7.2 other than exception 9, 16 or 17;
 - ii. plus the number of fully paid ordinary shares issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 where:
 - a. the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - b. the issue of, or agreement to issue, the convertible securities was approved, or taken under those rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
 - iii. plus the number of fully paid ordinary shares issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 Exception 16 where:
 - a. the agreement was entered into before the commencement of the relevant period; or
 - b. the agreement or issue was approved or taken under those rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
 - iv. plus the number of fully paid ordinary shares issued in the relevant 12 months with approval of holders of shares under ASX Listing Rule 7.1 and 7.4;
 - v. plus the number of partly paid shares that become fully paid in the relevant 12 months;
 - vi. less the number of fully paid shares cancelled in the relevant 12 months.
- Note: "A" has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.4.

d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

e) Nature of consideration for issue and Minimum Issue Price

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- i. the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- ii. if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

f) 10% Placement Facility

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the first to occur of the following:

- i. the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- ii. the time and date of the Company's next Annual General Meeting;

- iii. the time and date of the approval by shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- a) The period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained, being 16 November 2022, and expires on the first to occur of the following:
 - i. the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 16 November 2023
 - ii. the time and date of the Company's next Annual General Meeting;
 - iii. the time and date of the approval by shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's quoted Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - i. the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
 - ii. if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- c) The purposes for which the funds raised by an issue of Equity Securities (for cash consideration only) under rule 7.1A.2 may be used by the Company include:
 - i. consideration for the acquisition(s) of the new assets and investments, including the expenses associated with such acquisition(s); and
 - ii. continued expenditure on the Company's current business and/or general working capital.
- d) If this resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may also be exposed to economic risk and voting dilution, including the following:
 - i. the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - ii. the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 7 September 2022 (Current Share Price) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities of the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.003 50% decrease in Current Share Price	\$0.006 Current Share Price	\$0.012 100% increase in Current Share Price
Current Variable A 2,940,233,041 Shares	10% Voting Dilution	294,023,304 Shares		
	Funds raised	\$882,070	\$1,764,140	\$3,528,280
50% increase in current Variable A 4,410,349,562 Shares	10% Voting Dilution	441,034,956 Shares		
	Funds raised	\$1,323,105	\$2,646,210	\$5,292,419
100% increase in current Variable A 5,880,466,082 Shares	10% Voting Dilution	588,046,608 Shares		
	Funds raised	\$1,764,140	\$3,528,280	\$7,056,559

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options are exercised into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued fully paid ordinary share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on the Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
- The Current Share Price is \$0.006 (0.6 cents), being the closing price of the Shares on ASX on 7 September 2022.

- e) The Company will comply with the disclosure obligations under Listing Rule 7.1A(4) upon issue of Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- the methods of raising funds that are available to the Company, including, but not limited to, rights issues or other issues in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate financial and broking advisers (if applicable).

Due to the forward looking nature of the approval, the allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

The Company:

- has not issued, nor agree to issue, any Equity Securities under Rule 7.1A.2 in the 12-month period preceding the date of the Meeting; and
- had not agreed, before the 12-month period referred to in the preceding paragraph, to issue any Equity Securities under Rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Voting Exclusions

A voting exclusion statement is set out under Note 5 of this Notice.

Annexure A

Mithril Resources Limited Employee Incentive Plan (EIP or Plan)

The following is a summary of the key terms of the Plan:

TERM	DETAIL
Purpose	The Plan will operate to allow the Board to grant equity awards in the form of Awards to participating individuals, delivering an equity incentive component of remuneration on the terms determined by the Board from time to time.
Awards	Each Award is a right to acquire one ordinary share in the Company (or receive an equivalent cash amount) upon satisfaction of the vesting conditions, as determined by the Board, and valid exercise of the Award. No exercise price will apply in respect of a grant of performance rights and the Board may specify circumstances or an event upon which a performance right may be automatically exercised. For a grant of options, an exercise price will apply, as determined by the Board and, ordinarily, automatic exercise will not apply. Each grant will specify the minimum and maximum number of value of shares in the Company that the participant may receive upon vesting and exercise of Awards. Unless the Board determines otherwise, no consideration is payable by the participant for a grant of Awards under the Plan.
Eligible participants	The Board may grant Awards to selected eligible participants. Eligible participants may include Directors, full-time and part-time employees, and any other person the Board considers appropriate.
Allocation of shares upon vesting and exercise	The Company may issue new shares or procure the acquisition of shares on-market to satisfy vested Awards upon exercise. The Company may also operate an employee share trust to acquire, hold or provide shares for the purposes of the Plan. Unless the Board determines, no trading restriction will be placed on shares allocated following vesting and exercise of Awards, subject to the Company's Securities Trading Policy.
Vesting conditions and performance rights	The Board may determine vesting conditions, which may include performance and/or service conditions that must be satisfied before Awards vest. The vesting conditions will be measured and tested over a performance period determined by the Board. Note that the Plan provides the Board with the ability to review and adjust the vesting conditions, targets and vesting schedules (as applicable) on a grant-by-grant basis, ensuring the conditions remain appropriate for the particular grant.
Other terms	The Board may determine the terms of the Awards, including the exercise price in respect of options, any exercise restrictions as well as any other vesting or lapsing conditions.
Entitlements	Unless the Board determines otherwise, Awards do not carry any dividend or voting rights prior to vesting and exercise. The Awards are transferable, subject to any restrictions imposed by legislation.

TERM	DETAIL
Cessation of employment / engagement	Where a participant ceases to be an employee (or otherwise engaged) by the Company (or any subsidiary of the Company) prior to the end of the applicable performance period, the treatment of Awards will depend on the circumstances of cessation. Generally, where a participant ceases due to resignation or termination for cause (including gross misconduct), all unvested Awards will lapse at cessation. Where the individual ceases for any other reason prior to the end of the relevant performance period, the participants' unvested Awards will continue "on-foot" and will be tested at the end of the applicable performance period, vesting only to the extent that any performance conditions have been satisfied (ignoring any service related conditions). However, the Board has a broad discretion to apply any other treatment it deems appropriate in the circumstances (including that another number of Awards may vest and be exercised either at cessation or at the end of the original performance period, or that some or all of the Awards will lapse). In making this determination, the Board may have regard to any factors the Board considers relevant, including the performance period elapsed and the extent to which the vesting conditions have been satisfied.
Change of control	Where a change of control event occurs prior to vesting of Awards, a pro-rata number of the Awards will generally vest based on the performance period elapsed and the extent to which the vesting conditions have been met at the time of the event. However, the Board has discretion to determine a different treatment, either at the time of grant or prior to the change of control event, including that another number of unvested Awards should vest or be subject to substitute or varied vesting conditions and/or periods. The Company also has specific rules in relation to divestments of a "material" part of the business or asset, with the Board having the discretion to determine an appropriate treatment for participants in the event of such divestment.
Claw-back	In the event of fraud, dishonesty or material misstatement of financial statements (or other specific circumstances described in the Plan), the Board may make a determination in respect of the Awards, or Shares allocated following exercise, to ensure that no unfair benefit is obtained by a participant (including lapse of unvested Awards).
Adjustment of number of Awards granted	The Board has discretion to adjust the number of Awards granted in the event of a variation of capital or other corporate transaction, to ensure that participants do not enjoy a windfall gain or suffer a material detriment as a result of the variation. Any adjustment will be made in accordance with the ASX Listing Rules.
Administration of Plan	The Plan may be administered either by the Board or an external party, including using a trust to acquire, hold, or provide shares to satisfy the Awards. The Board is given the power to make all required determinations under the Plan and to waive or modify the application of the terms of the Plan and the Awards granted under it, as the Board considers appropriate.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **12:00pm (AEDT) on Monday, 14 November 2022.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
