Management and Board Changes to Drive Youanmi Gold Project Towards Production Restart

Rox Resources Limited ("**Rox**" or "**the Company**") (ASX: RXL), announces the following Board and management changes as it continues to transition towards development at the Youanmi Gold Project in Western Australia.

Mr Rob Ryan will step down as Managing Director and Chief Executive Officer of the Company, after two years in the role.

During his tenure, Mr Ryan significantly de-risked the Youanmi Gold Project ("**Youanmi Gold Project**" or "**Project**") development through drilling and exploration programs and regional consolidation, as well as overseeing the delivery of a positive Pre-Feasibility Study for the Project in July this year.

The Board would like to sincerely thank Mr Ryan for his strong contribution to the Company.

Appointment of Chief Executive Officer – Mr Phillip Wilding

Mr Phillip Wilding has been appointed as the Company's Chief Executive Officer, commencing 15 October 2024.

Mr Wilding is an experienced Mining Engineer and Corporate Executive with 20 years' experience, most recently serving as Chief Operating Officer for Western Australian gold producer Westgold Resources Limited (ASX: WGX), where he was responsible for three operating mining regions.

Mr Wilding has conducted and overseen multiple studies, constructed multiple underground and open pit mines, along with refurbishing and commissioning Westgold's Tuckabianna mill and Cue mining operations, including the Big Bell and Great Fingall underground mines. Mr Wilding has a track record in building technical and operational teams, along with significant mine project and development experience at corporate and operational levels.

Mr Ryan has agreed to assist with the leadership transition up until Mr Wilding's start date, however he will vacate his position on the Rox Board immediately.

Refer to Appendix 1 for the material terms of Mr Wilding's appointment.

Appointment of Non-Executive Director – Mr Nathan Stoitis

In addition, Rox's Board has been strengthened through the appointment of Mr Nathan Stoitis as a Non-Executive Director effective 10 September 2024. Mr Stoitis is an experienced metallurgist with over 25 years' experience in plant management, operations and global sales and marketing.

Over the past 14 years, Mr Stoitis has been a Director and Principal Metallurgist for consultancy, Extreme Metallurgy Pty Ltd, where he has worked on a broad variety of mining operations spanning gold, copper, lead and zinc operations in Australia and internationally. More recently Mr Stoitis worked with Bellevue Gold Limited on the testwork, design and commissioning of the Bellevue processing plant. He has also been involved in project design, commissioning and operational support for numerous gold mines, including Ora Banda Mining Limited and Northern Star Resources Limited.

Mr Stoitis will receive a total fixed remuneration of \$50,000 (plus statutory superannuation). The Board has resolved to grant Mr Stoitis 1 million performance rights in connection with his appointment. The grant of performance rights will be subject to shareholder approval at the Company's upcoming annual general meeting, and will otherwise be on the terms and conditions in Appendix 2.

The Board believes Mr Wilding's and Mr Stoitis' extensive experience in mine development and operations will be invaluable as the Company drives towards the restart of production at the Youanmi Gold Project.

Rox Resources Non-Executive Chairman, Stephen Dennis, commented:

"I would like to sincerely thank Rob Ryan for his outstanding contribution to the Company, taking important steps over the past two years to de-risk our flagship Youanmi Gold Project and driving the delivery of a successful Pre-Feasibility Study for the project development. On behalf of the Board, I wish Rob all the best for the future."

"I am also very pleased to welcome Phillip Wilding as our new Chief Executive Officer, bringing a wealth of experience across all aspects of mine development and operations. Phill is a highly accomplished senior executive with an impressive track record of managing and optimising mining operations, including extensive experience in the Western Australian gold sector over more than 11 years with Westgold Resources."

"In addition to Phill's appointment, we are also very pleased to have appointed Nathan Stoitis as a Non-Executive Director, bringing significant metallurgical and operational expertise which will be invaluable to Rox as we work to complete the Definitive Feasibility Study for the Youanmi Gold Project restart."

Rox Resources incoming Chief Executive Officer, Phill Wilding, commented:

"The Youanmi Gold Project represents a hugely exciting opportunity for a high-grade, high-margin gold mining operation, and I am delighted to have the opportunity to join the Rox team at this pivotal stage in the Project's development pathway. I look forward to getting boots on ground to help drive the Project forward."
