ASX Supervision

Dear Sir / Madam

SUNRISE ENERGY METALS LIMITED (ASX: SRL) - ASX QUERY

In reference to your letter of 28 September 2026 (**ASX Letter**), the response to your queries in number order is as follows:

1. The First Placement first became a "proposed issue of equity securities" for the purposes of Listing Rule 3.10.3 on 3 December 2025, being the date on which SRL's board accepted the terms of the First Placement and approved the First Placement announcement. Please also refer to the response to query 2 set out below.
2. On 26 November 2025, the commercial terms of the First Placement (being the quantity and price of the shares to be issued) were agreed in principle between SRL and the Subscriber. This was the intended meaning of the phrase "terms of the Placement were settled" in the First Announcement. However, the arrangement was incomplete and remained subject to formalisation and execution of binding terms and approval by SRL's board. Those matters were not completed until 3 December 2025, and accordingly the First Placement did not become a proposed issue of equity securities for the purposes of Listing Rule 3.10.3 until that date. SRL notified ASX of the First Placement under Listing Rule 3.10.3 by way of the First Announcement released on 3 December 2025.
3. The Second Placement first became a "proposed issue of equity securities" for the purposes of Listing Rule 3.10.3 on 16 December 2025, being the date on which SRL's board accepted the terms of the Second Placement and approved the Second Placement announcement. Please also refer to the response to query 4 set out below.
4. On 12 December 2025, the preliminary and indicative commercial terms of the Second Placement (being the quantity and price of the shares to be issued) were agreed in principle between SRL and the Subscriber. This was the intended meaning of the phrase "terms of the Placement were settled" in the Second Announcement. However, the arrangement was incomplete and remained subject to formalisation and execution of binding terms and approval by SRL's board. Those matters were not completed until 16 December 2025, and accordingly the Second Placement did not become a proposed issue of equity securities for the purposes of Listing Rule 3.10.3 until that date. SRL notified ASX of the Second Placement under Listing Rule 3.10.3 by way of the Second Announcement released on 16 December 2025.
5. SRL considers that it complied with Listing Rule 3.10.3 in relation to the First Placement and the Second Placement. For the reasons set out above, no disclosure requirement arose in respect of either Placement until the relevant matters (being the formalisation and execution of binding terms and approval by SRL's board) had been completed.
6. Valvino Lamore LP was the sole investor in respect of both the First Placement and the Second Placement.
7.
   7.1 The reference to "sophisticated investors" in the relevant Announcements reflected the fact that Valvino Lamore LP qualifies as a sophisticated investor, as the amount invested under each Placement exceeded $500,000.
   7.2 SRL considers that the references to "sophisticated investors" in the relevant Announcements were accurate and not misleading. The use of the plural "investors" rather than "investor" was a minor

imprecision that did not alter the substance of the disclosure. The identity of Valvino Lamore LP as the sole subscriber was disclosed in the Notice of Meeting issued on 24 December 2025, and both the First Placement and the Second Placement were the subject of shareholder approval.

8. N/A.
9.

9.1 SRL was introduced to Valvino Lamore LP by an existing SRL shareholder. Valvino Lamore LP participated in SRL's 17 November 2025 placement alongside various other investors and, at that time, signalled its interest in investing further capital in SRL. The terms of each Placement were subsequently negotiated directly between SRL's CEO and the Subscriber's CFO by email and telephone. In relation to the First Placement, negotiations took place between 11 and 25 November 2025, following which a formal Subscription Agreement was provided to the Subscriber on 28 November 2025 and executed by the Subscriber on 2 December 2025. SRL's board accepted the Subscriber's subscription and approved the First Placement announcement on 3 December 2025. In relation to the Second Placement, negotiations took place between 11 and 13 December 2025, following which the Subscription Agreement was provided to the Subscriber on 14 December 2025 and executed by the Subscriber on 16 December 2025. SRL's board accepted the Subscriber's subscription and approved the Second Placement announcement on 16 December 2025.

9.2 No intermediary, adviser, broker, placement agent or other person was involved in introducing Valvino Lamore LP to SRL or arranging, negotiating or facilitating its participation in the relevant Placements.

9.3 SRL confirms that, at the time each Placement was agreed and at all other relevant times, Valvino Lamore LP was not a person falling within any of Listing Rules 10.11.1 to 10.11.5. SRL addresses each category as follows:

(a) Listing Rule 10.11.1: Valvino Lamore LP is not, and has at no time been, a related party of SRL. SRL had no prior relationship with Valvino Lamore LP before its participation in SRL's 17 November 2025 placement.

(b) Listing Rules 10.11.2 and 10.11.3: As far as SRL is aware, Valvino Lamore LP did not hold any securities in SRL prior to the 17 November 2025 placement and has not at any relevant time held 10% or more of the voting securities in SRL.

(c) Listing Rule 10.11.4: As far as SRL is aware, Valvino Lamore LP is not and has not at any relevant time been an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3.

(d) Listing Rule 10.11.5: As far as SRL is aware, Valvino Lamore LP does not have any relevant relationship with SRL or any person referred to in Listing Rules 10.11.1 to 10.11.4.

In any event, both the First Placement and the Second Placement were made subject to, and conditional upon, shareholder approval, which was sought by way of the Notice of Meeting dated 23 December 2025.

10. SRL confirms that it is in compliance with the Listing Rules and, in particular, Listing Rules 3.10.3 and 10.11.
11. SRL confirms that its above responses have been authorised and approved in accordance with its published continuous disclosure policy and by its board or an officer of SRL with delegated authority from the board to respond to ASX on disclosure matters.

Yours sincerely,

Melanie Leydin
Company Secretary
