EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the Annual Report of the Company for the financial year ended 31 December 2025 including the declaration of the Directors, the Directors' Report, the Remuneration Report and the Auditor's Report.

The Company's Annual Financial Report is available on its website at <http://v-er.eu>. Paper copies of the report are available on request.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's Annual General Meeting, a resolution that the Remuneration Report be adopted, must be put to the Shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and Key Management Personnel of the Company for the year ended 31 December 2025. The Remuneration Report is part of the Directors' Report contained in the Annual Report of the Company.

The Chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the Remuneration Report at the Annual General Meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second Annual General Meeting.

All of the Directors of the company who were in office when the Directors' Report (as included in the Company's Annual Report for the most recent financial year) was approved, other than the Managing Director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting, those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous Annual General Meeting the votes cast against the Remuneration Report considered at that Annual General Meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

The Board may, acting reasonably and subject to complying with the Corporations Act and Listing Rules, adjust the Vesting Conditions relating to:

- (b) budgets to take into account acquisitions or divestments or other significant items during the relevant financial year where appropriate; and
- (c) financial metrics to take into account any significant non-cash items (for example impairment losses), acquisitions or divestments, revenue received in the form of government grants, rebates or other payments, and one-off events/non-recurring items where appropriate.

5.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Incentive Securities to the Related Parties (or their nominee(s)) constitutes giving a financial benefit to an entity that is a related party of the Company by virtue of being a Director.

The Directors (other than those that have a material personal interest in the respective Resolutions) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of the Incentive Securities because their issue, considered as part of the total remuneration package for the Related Parties, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

5.4 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of the Incentive Securities falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

These Resolutions seek the required Shareholder approval for the issue of the Incentive Securities under and for the purposes of Listing Rule 10.11.

5.5 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue of the Incentive Securities within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Incentive Securities (because approval is being obtained under Listing Rule 10.11), the issue of the Incentive Securities will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue of the Incentive Securities and will need to consider alternative structures to ensure that the Directors are properly incentivised. Any such alternative structure may involve an additional cash consideration at a time when the Company is seeking to preserve cash for use in developing its projects.

5.6 Technical information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to the issue of the Incentive Securities:

- (a) the Incentive Securities will be issued to Mr Moreno and Ms Gooding, who fall within the category set out in Listing Rule 10.11.1 by virtue of being a Director or

Listing Rule 10.11.4 if a nominee;

- (b) the maximum number of Incentive Securities to be issued will be a total of 355,745 Performance Rights to Mr Moreno and 296,454 to Ms Gooding;
- (c) a summary of the material terms and conditions of the Incentive Securities is set out in Schedule A;
- (d) the Shares to be issued on satisfaction of the relevant Vesting Conditions and exercise of the Incentive Securities will be issued on the same terms as, and will rank equally with, the existing Shares on issue;
- (e) the Incentive Securities will be issued no later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that the issue will occur on the same date;
- (f) the Incentive Securities will be issued for nil cash consideration, and no funds will be raised from their issue or conversion;
- (g) the Company has determined to issue the Incentive Securities for the following reasons:
 - i) to align the interests of Mr Moreno and Ms Gooding with those of Shareholders;
 - ii) the issue of the Incentive Securities is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Moreno and Ms Gooding; and
 - iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Incentive Securities on the terms proposed;

6. RESOLUTION 7 – INCREASE IN TOTAL AGGREGATE REMUNERATION FOR NON-EXECUTIVE DIRECTORS

6.1 General

Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of directors' fees payable to all of its non-executive directors without the approval of holders of its ordinary securities.

Directors' fees include all fees payable by the entity or any of its child entities to a non-executive director for acting as a director of the entity or any of its child entities (including attending and participating in any board committee meetings), superannuation contributions for the benefit of a non-executive director and any fees which a non-executive director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine "special exertion" fees paid in accordance with an entity's constitution, or securities issued to a non-executive director under Listing Rules 10.11 or 10.14 with the approval of the holders of its ordinary securities.

Clauses 14.7 and 14.8 of the Constitution also provide that total aggregate remuneration payable to the non-executive Directors will not exceed the sum initially set by the Constitution and subsequently increased by ordinary resolution of Shareholders in a general meeting.

The maximum aggregate amount of fees payable to the non-executive Directors is currently set at \$950,000. This Resolution seeks Shareholder approval for the purposes of clause 14.8 of the Constitution and Listing Rule 10.17 to increase the total aggregate amount of fees payable to non-executive Directors to \$1,200,000 to allow for the appointment of additional directors and to be able to match future director fees with the size of operations and business complexity of the Company under current growth plans. The last time Vulcan's NED fee cap was increased was in November 2022.

In conjunction with the review of remuneration for Mr Moreno and Ms Gooding, the Board undertook a review of Non-Executive Director fees, benchmarking against industry peers and similar sized companies, anticipating Vulcan's entry into the ASX 200.

After considering the results of the review, the Board resolved to increase NED fees after successful execution of the major December 2025 capital raise and taking the FID for Lionheart, with the increase taking effect as of January 2026 (within the existing NED fee pool).

An increase in the NED fee pool will provide scope to competitively remunerate both existing NEDs and potential new Directors as we continually assess our skills matrix with expanding development priorities and renew the Board as appropriate and has been

determined after reviewing similar companies listed on ASX, companies with major projects in Europe and companies listed in Europe in the materials and energy sectors. The Directors believe that the proposed fee cap will allow for a level of remuneration in line with similar companies. If approved, no further increase in the NED fee cap will be sought until after the construction of the Lionheart Project is completed.

6.2 Technical information required by Listing Rule 10.17

If this Resolution is passed, the maximum aggregate amount of fees payable to the non-executive Directors will increase by \$250,000, from \$950,000 to \$1,200,000.

Whilst it is not envisaged that the maximum amount sought will be utilised immediately, the increase to maximum aggregate amount of fees payable may enable the Company to:

- a) appropriately remunerate both existing and any new non-executive directors joining the Board commensurate with the workload now expected following the Company's positive final investment decision and the commencement of construction in December 2025; and
- b) attract and retain non-executive directors whose skills and qualifications are appropriate for a company of the size and nature of the Company.

If this Resolution is not passed, the maximum aggregate amount of fees payable to non-executive Directors will remain at \$950,000. This may inhibit the ability of the Company to remunerate, attract and retain appropriately skilled non-executive directors.

The Company has issued an aggregate of 164,291 service rights to non-executive Directors pursuant to Listing Rules 10.11.

These Securities were issued, following the receipt of shareholder approval at prior general meetings, to the following non-executive Directors within the preceding 3 years:

- a) 32,555 service rights to Ms Josephine Bush;
- b) 32,555 service rights to Dr Heidi Grön;
- c) 24,416 service rights to Dr Günter Hilken;
- d) 49,531 service rights to Mr Angus Barker;
- e) 25,234 service rights to Ms Ranya Alkadamani;⁹ and
- f) nil service rights to Mr Roberto Gallardo.

6.3 Board Recommendation

Given the interest of the non-executive Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

⁹ Ms Alkadamani retired on 31 December 2024.
