Principle	ASX Recommendation	Conform (Y/N)	Disclosure
Principle 1:	Lay solid foundations for management and oversight		
1.1	A listed entity should have and disclose a board charter setting out: a) the respective roles and responsibilities of its board and management; and b) those matters expressly reserved to the board and those delegated to management.	Y	The Board Charter details the functions and responsibilities of the Board and management, including matters reserved for the Board. The Board Charter is included in the Corporate Governance Plan on the Company's website.
1.2	A listed entity should: a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election as a director; and b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a Director.	Y	The Remuneration and Nominations Committee undertakes the nomination responsibilities under the Company's Nomination Committee Charter, which is included in the Corporate Governance Plan on the Company's website. The role of the Remuneration and Nomination Committee, when exercising its nominations responsibilities, is to identify and recommend candidates to fill casual vacancies and to determine the appropriateness of director nominees for election to the Board. The Committee Charter requires it to make appropriate background checks prior to recommending a candidate for election or re-election as a director. The Committee must identify and recommend candidates only after considering the necessary and desirable competencies of new Board members to ensure the appropriate mix of skills and experience and after an assessment of how the candidate can contribute to the strategic direction of the Company All material information relevant to whether or not to elect or re-elect a director is provided to the Company's shareholders as part of the Notice of Meeting and explanatory memorandum for the relevant meeting of shareholders which addresses the election or re-election of a director.

Each Non-Executive Director has signed a letter of appointment. Each Executive Director has signed an executive service agreement.
1.4	The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	Y	The Company Secretary is accountable to the Board, through the Chairman, on governance matters and reports directly to the Chairman as the representative of the Board. The Company Secretary has primary responsibility for ensuring that the Board processes and procedures run efficiently and effectively. Y N N	The Company has adopted a Diversity Policy which is included on the Company's website. The Company recognises that a diverse and talented workforce is a competitive advantage and encourages a culture that embraces diversity. The Company does not think that it is appropriate to state measurable objectives for achieving gender diversity due to its size and stage of development. The Company has a small workforce and there are currently five females employed by the Company and one female Director. The Company was not in the S&P / ASX 300 Index at the commencement of the reporting period.

N Y	During 2025 the Company formed the Remuneration and Nominations Committee which has responsibility for nomination matters. The Committee carries out the duties in accordance with the Nomination Committee Charter, which is included in the Corporate Governance Plan on the Company's website. Y	As at 31 December 2025 the Board consisted of: <table> <tr> <th>Name</th><th>Role</th><th>Independent</th><th>Date appointed</th></tr> <tr> <td>Peter Duerden</td><td>Managing Director</td><td>No</td><td>January 2022</td></tr> <tr> <td>Darryl Clarke</td><td>Non-Executive Director</td><td>Yes</td><td>October 2020</td></tr> <tr> <td>Andrew Stewart</td><td>Executive Chairman</td><td>No</td><td>September 2023</td></tr> <tr> <td>Naomi Scott</td><td>Non-Executive Director</td><td>Yes</td><td>November 2024</td></tr> </table>	Name	Role	Independent	Date appointed	Peter Duerden	Managing Director	No	January 2022	Darryl Clarke	Non-Executive Director	Yes	October 2020	Andrew Stewart	Executive Chairman	No	September 2023	Naomi Scott	Non-Executive Director	Yes	November 2024

Andrew Stewart	Executive Chairman	No	September 2023																				
Naomi Scott	Non-Executive Director	Yes	November 2024																				
2.4	A majority of the board of a listed entity should be independent.	N	As at 31 December 2025 there were four Directors on the Board, two of whom are considered independent (Darryl Clark, and Naomi Scott).																				
2.5	The chair of the board of a listed entity should be an independent director, and in particular, should not be the same person as the CEO of the entity.	N	Dr Stewart was appointed as an Executive Chair on 18 December 2025 and is no longer considered independent. He is not the Company's CEO. The appointment of Dr Stewart as an Executive Chair was made in the light of the current stage of development of the Company and to enable him to concentrate on driving development while Peter Duerden as CEO progresses exploration efforts.																				

2.6	A listed entity should have a program for inducting new directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as directors effectively.	Y	Induction and professional development form part of the responsibilities of the Remuneration and Nomination Committee as noted in the Nomination Committee Charter, which is included in the Corporate Governance Plan on the Company's website. Induction documents are provided with a written engagement letter and the Company Secretary is available to assist with the process of new Directors familiarising themselves with the Company. Professional development requirements are addressed as circumstances require. The Board periodically reviews whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as directors effectively. 3.4	A listed entity should: (a) have and disclose an antibribery and corruption policy; and (b) ensure that the board or a committee of the board is informed of any material incidents reported under that policy.	N	The Company has not formulated a separate antibribery and corruption policy. as these matters are dealt with through the Company's Codes of Conduct which are posted on the Company's website. The Company has formulated internal controls to ensure payments are only made once the controls and authorisation procedures are completed. The Board is informed of any fraudulent/corrupt activities by its independent auditor twice yearly as part of the independent audit of the Company. Given the scope of the existing Codes of Conduct and the nature and extent of its actual and proposed operations, and with a small number of employees, the Company does not think that it is appropriate to develop and articulate an separate anti-bribery and corruption policy due to its size and stage of development. ¹ “Corporate governance statement” is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council’s recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity’s corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable.
